Your Journey to Success

A Promise from Vedantu Founders

Dear Student & Parent,

As we stand on the brink of the next few years, we recognise not just the demands and challenges, but also the emotional weight and pressure that accompany this journey. The expectations from schools, scrutiny from society, and the highly competitive environment can be daunting, leading to fluctuating marks and wavering confidence. At Vedantu, we empathise deeply with these unique challenges. We are committed to supporting you throughout, with a focus on achieving meaningful learning outcomes. Our impactful results over the past 18+ years are a testament to our dedication to academic excellence.

At Vedantu, we are not just coaching students for exams; but also preparing them for life. Our promise is to be a constant, unwavering presence—offering personalised support, attention, and care that are crucial for each student's growth. **Every child has unique strengths and abilities, and our mission is to help them discover and unleash their true potential.**

Vedantu is a sanctuary where students receive **maximum personal attention**, ensuring their success is not just a possibility but a certainty. In the face of challenges, we will navigate and overcome hurdles together, helping each student improve and succeed.

Together, let's forge a path to success. We are your partners in this journey.

Our 19 Year Journey of Innovation & Academic Excellence

The Birth of Lakshya

- 4 IITian friends, inspired by a chat with school children, decide to **quit their jobs** and become teachers
- On December 13, 2005, **Lakshya** is born

Teachers by Choice Bring Their Vision to Life

- They choose to start their coaching centre in the small town of Patiala
- **Why Patiala?** They wanted to impact students who didn't have access to quality education

Lakshya's Results Put Patiala on the Map

- Success stories start to flow in – from **0 to 100+ selections in IIT and AIIMS**
- The power of **#TeachersByChoice** makes Lakshya one of the biggest competitive exam coaching brands in North India

Now How Do We Take This Impact All Across India?

- Vedantu **pioneers LIVE online learning in India** with an aim to democratise education
- Teachers, content, and the platform converge to create a **unique learning environment**
- Continuous innovation gives rise to a platform that revolutionises learning, **making quality education accessible** to students in every corner of the nation

Terms & Conditions for Refund

T&C for all payment modes:

A. Bulk (Cash/Cheque) | B. No Cost EMI (Debit Card/Credit Card) | C. Vedantu-EMI (VEMI) | D. Finance Partner

1. The registration fee is non-refundable.
2. This Refund is applicable only for Long Term Classroom Courses. Short Term Classroom Course Fee/Test Series Fee is non-refundable.
3. The refund will be processed in the name of either the Mother/Father.
4. Full KYC of the parents must be completed.
5. A cancelled cheque or a passbook copy of the parent's bank account is required.
6. The application for refund must be signed and approved by the Academic Head and Centre Head
7. The student's original ID card must be provided.
8. The refund amount will be processed within 15 working days from the date of refund raised.
9. All refund requests need to be emailed to refunds@vedantu.com.

Additional T&C for payments made through a Finance Partner:

1. All the above points are also applicable for payments made through a finance partner.
2. Students are required to pay EMIs up to the month they inform Vedantu about their intention to close the loan. In addition, a one-time foreclosure fee must be paid by the student before any discussions with the fintech partner can begin. Once this payment is made, Vedantu will initiate the loan foreclosure process with the partner.
3. If the total EMIs paid by the student are less than the course's registration fee, the student must pay the difference, along with the foreclosure fee.
4. A foreclosure fee of ₹ 10,000 applies uniformly across all streams and centres.
